

THE CALIFORNIA ROUNDTABLE ON RECREATION, PARKS AND TOURISM

INVITES YOU TO ATTEND:

GET HEALTHIER OUTDOORS DECEMBER 3-5, 2007 SACRAMENTO, CA

SAVE THE DATE

The symposium will bring featured speakers and successful programs for promoting and building healthier lifestyles through connecting Californians to the outdoors. This symposium is a rare opportunity for the health professional and the outdoor community to work together. Participants will learn and discuss successful programs, partnerships, tools, and funding sources for implementing programs in their area. Topics and programs to be discussed include:

- Urban, Suburban, and Rural programs
- Marketing
- Partnerships
- Trends for Recreation, Health and Food providers
- Funding Sources
- Vendor/Display Salon

This symposium will provide participants the opportunity to discuss their needs, take away ideas and tools, and learn of potential partners and funding sources for their programs. The Symposium will highlight trends in the recreation, health, and food industries for promoting healthier lifestyles.

We look forward to seeing you on December 3-5 in Sacramento!
